International Nuclear Law Essentials

Singapore

26 February – 2 March 2018

An intensive **5-day programme** offered by the OECD Nuclear Energy Agency (NEA) and the National University of Singapore (NUS) designed to provide participants with a comprehensive understanding of the legal issues relating to the safe, efficient and secure use of nuclear energy.

Renowned specialists lecturing in nuclear law from international organisations, governments and private industry.

For lawyers working in either the public or the private sector, as well as scientists, engineers, policymakers, managers and other professionals working in the nuclear field.
