V. REASONS FOR WISHING TO TAKE PART IN THE INTERNATIONAL SCHOOL OF NUCLEAR LAW PROGRAMME (you may attach an extra page if necessary).

VI. FINANCIAL SUPPORT

The **NEA** awards grants to students from amongst its member countries qualified to participate in this programme.

- If your participation is conditional upon being financially supported by the NEA, please check here.

The **IAEA** awards grants to professionals from amongst its member states.

- If your participation is conditional upon being financially supported by the IAEA, please check here.

Note: It is solely the IAEA’s decision/discretion to support candidates which is why you must finalise the IAEA application process under its technical assistance programme at the same time. **Your application for the ISNL will not be considered until we have been informed by the IAEA that the application for a grant is completed.** For further information on IAEA financial assistance, send an e-mail to: OLA-ISNL.Contact-Point@iaea.org.

VII. DIPLOMA IN INTERNATIONAL NUCLEAR LAW

It is possible for participants in this programme to apply for a Diploma in International Nuclear Law. This Diploma is awarded on the basis of active participation in classes, upon successful completion of a written examination and submission of a dissertation on international nuclear law. Would you be interested in applying for such a Diploma? **Note:** Participants benefiting from an NEA or IAEA grant must apply for the Diploma.

- Yes, I am interested in applying for the Diploma in International Nuclear Law.

VIII. INSURANCE

Participation is conditional on accepting the following conditions:

- I will obtain insurance covering illness, hospitalisation and repatriation during the whole period of my stay in the International School of Nuclear Law. I accept that the University of Montpellier 1 and the OECD Nuclear Energy Agency decline any responsibility in the event of accident or illness occurring during this period of time.*
