

## École internationale de droit nucléaire International School of Nuclear Law

### International School of Nuclear Law Application for admission to the 2012 Summer session 27 August – 7 September 2012

Thank you for your interest in the International School of Nuclear Law.

We encourage you to submit your application via email, *but please note that a handwritten signature is required.*

Application forms may be completed in English or in French.

*Completed and signed application forms must be received by the Legal Affairs Section of the OECD Nuclear Energy Agency by **31 March 2012**.*

Additional documentation (such as diplomas, dissertations, transcripts and writing samples) is not required and will not be considered during the application review process.

You may submit a passport-sized photograph with your application. Admitted participants will be required to submit such a photograph upon acceptance into the course.

For all inquiries regarding the application process, please contact:

## VI. FINANCIAL SUPPORT

The NEA awards grants to *students* from its member countries qualified to participate in this programme.

- If your participation is conditional upon receipt of financial support from the NEA, please check here.

The IAEA awards grants to *professionals* from its member states that are eligible to receive financial support under the IAEA Technical Cooperation Programme.

- If your participation is conditional upon receipt of financial support from the IAEA, please check here.

**Note:** If you wish to apply for a grant from the IAEA Technical Cooperation Programme to participate in the ISNL, please contact the IAEA at: [OLA-ISNL.Contact-Point@iaea.org](mailto:OLA-ISNL.Contact-Point@iaea.org). Because the IAEA selects which ISNL participants will receive grants, you must contact the IAEA directly. **Your ISNL application will not be considered until we have been informed by the IAEA that your grant application has been completed.**

## VII. UNIVERSITY DIPLOMA IN INTERNATIONAL NUCLEAR LAW

Participants in the ISNL programme may apply for a University Diploma in International Nuclear Law. The University Diploma in International Nuclear Law is awarded on the basis of active participation in classes, successful completion of a timed multiple choice examination and submission of a dissertation of publishable on a topic relevant to international nuclear law. **Note:** Participants benefiting from an NEA or IAEA grant must apply for the University Diploma in International Nuclear Law.

- I am interested in applying for the University Diploma in International Nuclear Law.

## VIII. INSURANCE

Participation is conditional on accepting the following conditions:

- I will obtain insurance covering illness, hospitalisation and repatriation during the whole period of my stay in France to participate in the International School of Nuclear Law. I accept that the University of Montpellier I and the OECD Nuclear Energy Agency decline any responsibility in case of accident or illness occurring during this period of time.*

## IX. LEGAL NOTICE

Participants who cancel their participation in the programme **after 22 July 2012** will be liable for the payment of registration fees and for the costs of accommodation arranged by the ISNL on their behalf, except in cases of medically certified illness or injury.

## X. SIGNATURE

The undersigned certifies that the statements made on this application form are complete and true. (Handwritten signature required)
