

École internationale de droit nucléaire
International School of Nuclear Law

Application for Admission to the 2017 Summer Session
21 August – 1 September 2017

Thank you for your interest in the International School of Nuclear Law.

Please complete this application form and attach a digital photograph (passport type) to your e-mail.

Application forms must be completed in English.

Due to the highly competitive nature of the International School of Nuclear Law selection process, we strongly encourage you to submit the best possible application. We advise all applicants not to make any travel arrangements until you are notified that your application has been accepted.

You may attach a current resume or CV to your application. No additional documentation will be considered in the selection process.

Application forms must be submitted **by 7 April 2017**.

If you are applying for IAEA financial support, you must meet all IAEA requirements.

Applicants will be notified of their status by e-mail no later than June 2017.

Please review the application checklist on page 10 before submitting your application form.

For all inquiries regarding the application process, please contact:

VI. FINANCIAL SUPPORT

Please read the following information carefully to determine whether you are eligible to apply for financial support from the OECD Nuclear Energy Agency (NEA) **or** the International Atomic Energy Agency (IAEA).

A. NEA grants for eligible full-time students

The NEA awards grants to a limited number of **full-time students** from its [member states](#). To be eligible to receive a grant from the NEA, you must be enrolled full-time in a degree-granting program as of 21 August 2017 and must not be engaged in full-time employment. You may be asked for verification of your student status.

- Please check here if you are a citizen of an [NEA member state](#) and you are applying for NEA financial support. To be considered for an NEA grant, no additional action is required.

B. IAEA financial support for eligible professionals

The IAEA awards financial support to a limited number of **professionals** from its [member states](#) that are eligible to receive financial support under the IAEA Technical Cooperation Programme.

- Please check here if you are applying for financial support from the IAEA

** If you are applying for IAEA financial support, you must *also* follow the IAEA application procedure on this website: <http://ola.iaea.org/ola/financialsupportforISNL.html>. IAEA applications for financial support must be submitted directly to the IAEA.

C. If no financial support is awarded

If you have applied for financial support from the NEA or the IAEA, but are not selected, will you still be able to participate?

- Please check here if, after applying for **NEA or IAEA** financial support, you would still like to be considered for admission even without financial support.

VII. UNIVERSITY DIPLOMA IN INTERNATIONAL NUCLEAR LAW

Participants in the ISNL programme may apply for a University Diploma in International Nuclear Law.

The University Diploma in International Nuclear Law is awarded on the basis of active participation in classes, successful completion of a timed multiple choice examination and submission of a dissertation of publishable quality on a topic relevant to international nuclear law.

Note: Participants who receive an NEA grant or IAEA financial support *must* complete the requirements for the University Diploma in International Nuclear Law.
