

BELGIUM

Act on the Phase-out of Nuclear Energy for the Purposes of the Industrial Production of Electricity

Adopted on 31 January 2003

Chapter I

General Provisions

Section 1

The present Act regulates a matter referred to in Article 78 of the Constitution.

Section 2

For the purposes of this Act:

1. “Date of commercial start-up” shall mean the date of the formal agreement between the electricity producer, the constructor and the engineering department according to which the project phase is finalised and the production phase commences, namely, for existing nuclear power plants:
 - Doel 1: 15 February 1975
 - Doel 2: 1 December 1975
 - Doel 3: 1 October 1982
 - Doel 4: 1 July 1985
 - Tihange 1: 1 October 1975
 - Tihange 2: 1 February 1983
 - Tihange 3: 1 September 1985

2. “The Act of 15 April 1994” shall mean the Act of 15 April 1994 on the Protection of the Population and the Environment against the Dangers of Ionising Radiation, and on the Federal Agency for Nuclear Control.

Chapter II

Principles Of The Phase-Out Of The Industrial Production Of Electricity From The Fission Of Nuclear Fuel And Of The Prohibition Of New Nuclear Power Plants

Section 3

No new nuclear power plant for the industrial production of electricity from the fission of nuclear fuel may be established and/or operated.

Section 4

1. Nuclear power plants for the industrial production of electricity from the fission of nuclear fuel shall be deactivated forty years after the date of their commercial start-up, and from that time may no longer produce electricity.
2. All individual operating licences and licences for the industrial production of electricity from the fission of nuclear fuel, issued for an unlimited period by the King:
 - a. by virtue of the Act of 29 March 1958 on the Protection of the Population against the Dangers of Ionising Radiation and on the basis of Section 5 of the Royal Order of 28 February 1963 laying down the general regulations for the protection of the population and of workers against the dangers of ionising radiation and which remain applicable by virtue of Section 52 of the Act of 15 April 1994;
 - b. on the basis of Section 16 of the Act of 15 April 1994, and by virtue of Sections 5 and 6 of the Royal Order of 20 July 2001 laying down the general regulations for the protection of the population, workers and the environment against the dangers of ionising radiation;shall end forty years after the date of the commercial start-up of the production facility concerned.

Chapter III

Amending and Final Provisions

Section 5

The following lines shall be inserted before the words “The King shall grant or refuse” at the beginning of the first sub-paragraph of Section 16(1) of the Act of 15 April 1994:

“With the exception of facilities for the industrial production of electricity from the fission of nuclear fuel for which licences may no longer be issued in accordance with Sections 3 and 4 of the Act of 31 January 2003 on the phase-out of nuclear energy for the purposes of the industrial production of electricity ...”

Section 6

The following amendments shall be made to Section 3 of the Act of 29 April 1999 on the Organisation of the Electricity Market:

1. A paragraph 1bis shall be inserted, as follows: “§ 1bis. As from 2015, the indicative plan shall be drawn up on an annual basis”;
2. Paragraph 2 shall be completed as follows: “5. He shall evaluate the security of electricity supply and, where this might be at risk, shall formulate appropriate recommendations”.

Section 7

In the first sub-paragraph of Section 4(1) of the same Act, the following lines shall be inserted at the beginning of the first paragraph before the words “the establishment of new facilities”:

“With the exception of facilities for the industrial production of electricity from the fission of nuclear fuel for which licences may no longer be issued in accordance with Sections 3 and 4 of the Act of 31 January 2003 on the phase-out of nuclear energy for purposes of the industrial production of electricity, ...”

Section 8

The second sub-paragraph of Section 23(2) of the same Act, as amended by the Act of 16 July 2001, shall be completed as follows:

“18. shall monitor the security of electricity supply, point out any problems and, where appropriate, formulate appropriate recommendations.”

Section 9

Should the security of electricity supply be at risk, the King may, by Royal Order considered in the Council of Ministers, after receiving the opinion of the Commission for the Regulation of Electricity and Gas, take any measures necessary, without prejudice to Sections 3 to 7 of this Act, except in cases of *force majeure*. This opinion shall relate in particular to the impact of changes in the production price on the security of supply.

Section 10

When a nuclear power plant is to be closed, a plan for accompanying social measures must be prepared for the workers concerned, in consultation with the social partners.

Hereby promulgate this Act, and order that it be stamped with the State Seal and published in the Official Journal.

Done in Brussels, on 31 January 2003.

MNEPR

Framework Agreement on a Multilateral Nuclear Environmental Programme in the Russian Federation

The Government of the Kingdom of Belgium, the Government of the Kingdom of Denmark, the Government of the Republic of Finland, the Government of the French Republic, the Government of the Federal Republic of Germany, the Government of the Kingdom of the Netherlands, the Government of the Kingdom of Norway, the Government of the Russian Federation, the Government of the Kingdom of Sweden, the Government of the United Kingdom of Great Britain and Northern Ireland, the Government of the United States of America, the European Community, and the European Atomic Energy Community (hereinafter referred to as the Parties),

Noting the Joint Convention on the Safety of Spent Fuel Management and on the Safety of Radioactive Waste Management of 5 September 1997 (hereinafter referred to as the “Joint Convention”);

Noting that the Joint Convention stipulates that spent fuel and radioactive waste within military or defence programmes should be managed in accordance with the objectives stated in that Convention even though they are excluded from it except as provided in Article 3 thereof;

Noting also the Convention on Nuclear Safety of 17 June 1994;

Recalling the importance the Joint Convention attaches to international co-operation in enhancing the safety of spent fuel and radioactive waste management through bilateral and multilateral mechanisms;

Reaffirming the importance the Parties attach to the principles embodied in relevant international conventions on nuclear liability for the provision of international assistance in this field;

Recognizing the work of the Contact Expert Group for International Radwaste Projects established under the auspices of the International Atomic Energy Agency to deal with issues regarding international co-operation in radioactive waste management and related issues in the Russian Federation, and its contribution to the development of a comprehensive International Action Plan;

Desiring to facilitate practical co-operation to enhance the safety of spent fuel and radioactive waste management in the Russian Federation, in particular through the implementation of projects in the Russian Federation that may be identified by the Contact Expert Group for International Radwaste Projects;

Recalling the Declaration of Principles by members and observers of the Barents Euro-Arctic Council representing Denmark, Finland, France, Germany, Iceland, Italy, the Netherlands, Norway, Poland, the Russian Federation, Sweden, the United Kingdom and the United States regarding the Multilateral Nuclear Environmental Programme in the Russian Federation signed at Bodø (Norway) on 5 March 1999 in which the participants declared their readiness to negotiate a multilateral framework agreement covering the necessary conditions for the provision of international assistance in this field;

Have agreed as follows:

Article 1

Multilateral Nuclear Environmental Programme in the Russian Federation (MNEPR)

1. The Parties hereby establish a framework to facilitate co-operation in the area of safety of spent nuclear fuel and radioactive waste management in the Russian Federation. This framework shall be referred to as the “Multilateral Nuclear Environmental Programme in the Russian Federation” (MNEPR). The MNEPR shall apply to projects undertaken between Contributors and Recipients or any other form of co-operation agreed by them. It may also apply to projects or any other form of co-operation in other areas of nuclear activities, including nuclear safety, if so agreed by the Parties concerned.
2. The Parties shall seek to avoid duplication of Assistance activities and to ensure that such activities are complementary to activities under other multilateral or bilateral funds, agreements, mechanisms or arrangements.

Article 2

Definitions

For the purposes of this Agreement the following terms shall have the following meanings:

Technical aid (assistance):	Any form of gratuitous aid and/or contribution provided under this Agreement or under any Implementing Agreement, or otherwise agreed to by the Russian Party and the Contributing Party or Parties (hereinafter referred to as “Assistance”).
Contributor:	Any Party other than the Russian Party or any entity authorized by such Party to provide Assistance under the MNEPR.
Recipient:	The Russian Party or any other Russian entity authorized by the Russian Party to serve as beneficiary of Assistance and partner for the realization of a project under the MNEPR.
Implementing Agreement:	An agreement between one or more Recipients and one or more Contributors for the provision of Assistance for the realization of a project under the MNEPR.

Article 3

Modes of co-operation under the MNEPR

1. Assistance under the MNEPR may be provided through:
 - (a) Implementing Agreements between one or more Recipients and any one of the Contributors (Bilateral mode);
 - (b) Implementing Agreements between one or more Recipients and several Contributors whereby a common financing arrangement will not be established (Multilateral simple mode);
 - (c) Implementing Agreements between one or more Recipients and several Contributors whereby a common financing arrangement will be established (Multilateral funding mode); or
 - (d) any other mechanism agreed by the Recipient(s) and Contributor(s) concerned.
2. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to all Assistance provided under paragraph 1 of this Article. The provisions of this Agreement may also apply to activities undertaken before its entry into force if so agreed by the Parties involved in those activities.
3. The provision of Assistance by the Contributors under this Agreement shall be subject to the availability of appropriated funds.

Article 4

MNEPR Committee

1. To facilitate co-operation and to exchange information under the MNEPR, the Parties hereby establish the MNEPR Committee. The MNEPR Committee shall be composed of one authorized official/governmental representative of each of the Parties, who shall also serve as a contact point for all questions of relevance to the MNEPR.
2. The MNEPR Committee may:
 - discuss the development and implementation of projects and any other form of co-operation under this Agreement;
 - discuss relevant activities under other bilateral or multilateral agreements or arrangements;
 - co-ordinate funding for projects under Article 3.1 (c);

- identify obstacles and problems encountered in the implementation of projects, and make recommendations regarding their resolution;
 - establish working groups as required for the functioning of the MNEPR Committee;
 - discuss and make recommendations on other matters relevant to the operation of MNEPR activities; and
 - invite States, intergovernmental organisations or regional economic integration organisations being subject to public international law to accede in accordance with Article 16.
3. The MNEPR Committee shall adopt its Rules of Procedure.
 4. The MNEPR Committee shall elect two co-chairpersons for twelve-month periods from among representatives of the Parties, one from among the Contributing Parties and one representing the Russian Party.
 5. The MNEPR Committee may decide to admit as Observers any interested State, inter-governmental organisation or regional economic integration organisation being subject to public international law not party to this Agreement. Where a Co-ordinator has been designated according to Article 5, that Co-ordinator shall be admitted as an Observer to meetings of the MNEPR Committee, where relevant.
 6. Decisions and recommendations of the MNEPR Committee shall be made by consensus.

Article 5

Co-ordinator of multilateral funding under the MNEPR

1. The Contributing Parties to a common financing arrangement, as referred to in Article 3.1(c), may designate a Co-ordinator for such an arrangement.
2. The rights and obligations of the Contributing Parties under this Agreement apply equally to the Co-ordinator where the Co-ordinator performs activities on behalf of the Contributors.

Article 6

Specific undertakings

1. The Parties shall promote activities necessary for the implementation of projects under the MNEPR.
2. The Russian Party shall ensure the prompt issuance of, inter alia, licences, permits, approvals and the prompt customs clearances necessary for the efficient implementation of projects. The Russian Party shall ensure the provision of data and information necessary for the implementation of specific projects within the framework of this Agreement. The Russian Party

shall grant access to sites and facilities necessary for the implementation of specific projects within the framework of this Agreement. Should such access be restricted according to the provisions of the legislation of the Russian Federation, mutually acceptable procedures shall be developed in the Implementing Agreements. The Implementing Agreements shall also define the procedures for, and the scope of, the information to be transferred.

3. The provision of Assistance shall be complemented by Russian resources. Such resources may be contributed in-kind or otherwise for the implementation of projects under the MNEPR.

Article 7

Claims, legal proceedings and indemnification

1. This Agreement is supplemented by a Protocol containing provisions on claims, legal proceedings and indemnification in respect of claims against Contributors and their personnel or contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods and services at any tier and their personnel, for any loss or damage of whatsoever nature arising from activities undertaken pursuant to this Agreement.
2. The Protocol and its Annex shall not apply to any Party that does not become a party to the Protocol.
3. Any Party that does not become a party to the Protocol may conclude with the Russian Party a separate agreement covering claims, legal proceedings and indemnification in respect of claims for any loss or damage of whatsoever nature arising from activities undertaken pursuant to this Agreement.

Article 8

Use and retransfer of Assistance

1. Unless the written consent of the Contributor has first been obtained, the Recipient shall not transfer title to, or possession of, any Assistance provided pursuant to this Agreement to any entity, other than an officer, employee or agent of that Contributor or that Recipient and shall not permit the use of such Assistance for purposes other than those for which it has been furnished.
2. The Russian Party shall take all reasonable measures within its power to ensure the security of, ensure the appropriate use of, and prevent the unauthorised transfer of Assistance provided pursuant to this Agreement.

Article 9

Exemption from taxes or similar charges

1. The Russian Party shall exempt Assistance provided under this Agreement from customs duties, profits taxes, other taxes and similar charges. The Russian Party shall take all necessary steps to ensure that no local or regional taxes are levied on Assistance provided under this Agreement. These steps will include the provision of letters from competent local and/or regional authorities confirming that no taxes will be levied on Assistance provided under this Agreement. Such letters of confirmation covering localities and regions where projects under this Agreement will be carried out shall be deposited with at least one of the Depositaries before the start of implementation of the projects.
2. The Russian Party shall exempt remuneration to foreign natural persons and to Russian citizens not ordinarily resident in the Russian Federation for work undertaken and services performed by such persons for the implementation of Assistance under this Agreement from income tax, social security tax contributions, and similar charges within the territory of the Russian Federation. With regard to remuneration exempted by this paragraph, the Russian Party shall not have any obligations in terms of any charges and payments to the persons indicated in this paragraph, at the expense of the social security system or any other government funds.
3. The Contributing Parties and their personnel, their contractors, subcontractors, suppliers and subsuppliers may import into, and export out of, the Russian Federation equipment, supplies, materials or services required to implement this Agreement. In addition to the provisions regarding Assistance, temporary importation and exportation shall not be subject to customs duties, license fees, undue restrictions, taxes or similar charges.
4. In addition to the preceding paragraphs, persons and entities participating in the implementation of the programmes in the framework of this Agreement within the territory of the Russian Federation are entitled to exemption from value added tax and other charges with regard to equipment and goods purchased within the territory of the Russian Federation for the implementation of the projects or the programmes in the framework of this Agreement, as well as works done and services rendered within the territory of the Russian Federation.
5. Imposition of taxation shall be regarded as a valid reason for suspension or termination of an Assistance project, or not to initiate an Assistance project.
6. The Russian Party shall be responsible for procedures ensuring the implementation of this Article. Necessary certificates shall be issued by the relevant competent authority.

Article 10

Accounts, audits and examinations

1. Each Recipient shall maintain proper accounts of all Assistance funding received from Contributors, and furnish such accounts, together with full supporting documentation, to the Contributor or Contributors concerned at regular intervals, as specified in the relevant Implementing Agreement or as otherwise agreed.

2. Upon request, representatives of a Contributor shall have the right, within sixty days of making the request, to examine the use of any Assistance provided by that Contributor in accordance with this Agreement, at sites of their location or use if possible, and shall have the right to audit and examine any and all related records or documentation for a period of seven years after the completion or early termination of the project in question, unless another period is specified in the Implementing Agreement. The practical details of such audits and examinations shall be set out in the Implementing Agreements.

Article 11

Intellectual property

The Parties shall provide in Implementing Agreements, as appropriate, effective protection and allocation of rights to intellectual property transmitted or created under this Agreement.

Article 12

Status of personnel and entry and exit of personnel

1. The Russian Party shall facilitate the entry and exit of employees of the Contributing Parties to this Agreement and their personnel and contractors, subcontractors, consultants, suppliers and subsuppliers and their personnel into and out of the territory of the Russian Federation for the purpose of carrying out activities in accordance with this Agreement.
2. The Russian Party shall accredit military and civilian personnel of the Contributing Parties, including employees of the Commission of the European Communities present in the territory of the Russian Federation in order to carry out activities related to the provision of Assistance under this Agreement, as administrative and technical personnel of the respective diplomatic missions, the mission of the Commission of the European Communities and the missions of intergovernmental organisations, in the Russian Federation. After entry into force of this Agreement, the Parties will consult on the number of such personnel covered by this paragraph. The accreditation of such personnel shall have no effect on the number of accredited personnel permitted at Russian diplomatic missions in the Contributing Parties.
3. The Russian Party guarantees that the contractors, subcontractors, consultants, suppliers, subsuppliers and their personnel as referred to in paragraph 1 of this Article may import and re-export out of the territory of the Russian Federation all of their personal household effects as well as foodstuffs for their personal use without being liable to any customs duties, taxes, or similar charges. Duty-free import into and re-export out of the Russian Federation of one motor vehicle per family is allowed, provided that the vehicle is used only within the period of the relevant contract and is re-exported at the end of this period.

Article 13

Settlement of disputes

Any disagreement between two or more Parties concerning the interpretation of this Agreement, or its implementation, shall be resolved through consultations. Consultations shall take place not later than three months after one of the Parties submits such a request in writing to the other Party or Parties.

Article 14

Awarding of contracts

In the event that a Party awards a contract for the acquisition of goods and services, including construction, to implement this Agreement, such contracts shall be awarded in accordance with the laws and regulations of that Party, or such other laws and regulations as that Party may choose. Russian companies can also be used as contractors or subcontractors.

Article 15

Modifications and amendments

1. Any modification or amendment to this Agreement, and any additional protocol to it, may be made by agreement among the Parties to this Agreement.
2. Any modification or amendment made pursuant to this Article shall be subject to ratification, acceptance or approval by all of the Parties. Modifications or amendments shall enter into force for all Parties thirty days following the date of receipt by at least one of the Depositaries of the last notification of ratification, acceptance or approval.

Article 16

Accession

1. This Agreement shall be open for accession by any State, inter-governmental organisation or regional economic integration organisation being subject to public international law upon invitation by the MNEPR Committee.
2. This Agreement shall enter into force for the acceding Party thirty days following the date of receipt by at least one of the Depositaries of the acceding Party's instrument of accession and the last of the notifications by the Parties expressing concurrence.

Article 17

Depositaries

The Minister of Foreign Affairs of the Russian Federation and the Secretary General of the Organisation for Economic Co-operation and Development are hereby designated as Depositaries. The Depositaries shall fulfil their duties in accordance with Article 77 of the Vienna Convention on the Law of Treaties of 23 May 1969 and shall consult each other in the fulfilment of their duties.

Article 18

Entry into force, duration, withdrawal and termination

1. This Agreement shall be subject to ratification, acceptance or approval. Instruments of ratification, acceptance or approval shall be deposited with at least one of the Depositaries. It shall enter into force on the thirtieth day following the date of receipt of such instruments from the Russian Party and from one other Signatory, and shall remain in force for a period of five years from that date. For each Signatory depositing such an instrument thereafter, this Agreement shall enter into force for it thirty days following the receipt by at least one of the Depositaries of such instrument and shall remain in force until the expiration of its original five year period.
2. This Agreement shall be extended automatically for further periods of five years. Any Party may request at least one of the Depositaries at least ninety days before the expiration of the five year period to convene a meeting of the Parties to consider the termination, modification or amendment of this Agreement.
3. Any Party may withdraw from this Agreement upon giving ninety days written notification to at least one of the Depositaries. The MNEPR Committee shall immediately be seized of the matter and shall make recommendations to the Parties on the further continuation of the Agreement.
4. The obligations under Articles 8 to 11, Article 12 first and third paragraphs, and Article 13 of this Agreement shall remain in effect regardless of any subsequent transfer of ownership of the object of co-operation, and regardless of any termination of, or withdrawal from, this Agreement, or the expiration of its validity.
5. Notwithstanding any termination of this Agreement, it shall continue to apply to any Implementing Agreement which the parties to such Implementing Agreement agree to continue, for the duration of such Implementing Agreement.
6. Where a Party withdraws from this Agreement but continues to be a Party to an Implementing Agreement, this Agreement shall continue to apply to such Party with respect to its participation in such Implementing Agreement.
7. This Agreement shall be applied on a provisional basis from the date of its signature.

Done at Stockholm on 21 May 2003 in the English, French and Russian languages, all texts being equally authentic, in two originals of which one shall be deposited in the archives of the Ministry of

Foreign Affairs of the Russian Federation and one in the archives of the Organisation for Economic Co-operation and Development. Duly certified copies of this Agreement shall be transmitted to the Signatories and acceding Parties. In the event of any dispute or divergence in relation to this Agreement the English text shall prevail for the purposes of interpretation.

**Protocol on Claims, Legal Proceedings and Indemnification
to the Framework Agreement on a Multilateral Nuclear Environmental Programme
in the Russian Federation**

The Government of the Kingdom of Belgium, the Government of the Kingdom of Denmark, the Government of the Republic of Finland, the Government of the French Republic, the Government of the Federal Republic of Germany, the Government of the Kingdom of the Netherlands, the Government of the Kingdom of Norway, the Government of the Russian Federation, the Government of the Kingdom of Sweden, the Government of the United Kingdom of Great Britain and Northern Ireland, the European Community, and the European Atomic Energy Community (hereinafter referred to as the Parties),

Reaffirming their commitment to achieving the purposes of the Framework Agreement on a Multilateral Nuclear Environmental Programme in the Russian Federation signed on 21 May 2003 (hereinafter referred to as “the Agreement”);

Convinced of the need to establish provisions ensuring that claims against the Contributing Parties and their personnel or contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods or services at any tier and their personnel, for any loss or damage of whatsoever nature arising from activities undertaken pursuant to the Agreement are not brought by the Russian Party and, if brought by a third party, are indemnified by the Russian Party;

Have agreed as follows:

Article 1

1. The definitions contained in Article 2 of the Agreement shall apply to this Protocol as fully and effectively as if they were set forth in full herein.
2. For the purposes of this Protocol, the following terms shall have the following meanings:

Nuclear Incident: Any occurrence or series of occurrences having the same origin which causes Nuclear Damage.

Nuclear Damage:

- (i) loss of life, any personal injury or any loss of, or damage to, property which arises out of or results from the radioactive properties or a combination of radioactive properties with toxic, explosive or other hazardous properties of nuclear fuel or radioactive products or waste in, or of nuclear material coming from, originating in, or sent to, a nuclear installation;
- (ii) any other loss or damage so arising or resulting if and to the extent that the law of the competent court so provides; and
- (iii) if the law of the State in which the nuclear installation of the liable operator is situated so provides, loss of life, any personal injury or any loss of, or damage to, property

which arises out of or results from other ionising radiation emitted by any other source of radiation inside a nuclear installation.

3. For the purposes of this Protocol, whenever both Nuclear Damage and damage other than Nuclear Damage have been caused by a Nuclear Incident, or jointly by a Nuclear Incident and one or more other occurrences, such other damage shall, to the extent that it is not reasonably separable from the Nuclear Damage, be deemed, for the purposes of this Protocol, to be Nuclear Damage caused by that Nuclear Incident.

Article 2

1. With the exception of claims for injury or damage against individuals arising from omissions or acts of such individuals done with intent to cause injury or damage, the Russian Party shall bring no claims or legal proceedings of any kind against the Contributors and their personnel or contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods or services at any tier and their personnel, for any loss or damage of whatsoever nature, including but not limited to personal injury, loss of life, direct, indirect and consequential damage to property owned by the Russian Federation arising from activities undertaken pursuant to the Agreement. This paragraph shall not apply to the enforcement of the express provisions of a contract.
2. With the exception of claims for Nuclear Damage against individuals arising from omissions or acts of such individuals done with intent to cause damage, the Russian Party shall provide for the adequate legal defence of and indemnify, and shall bring no claims or legal proceedings against the Contributors and their personnel, or any contractors, subcontractors, consultants, suppliers, or sub-suppliers of equipment, goods or services at any tier and their personnel in connection with third-party claims, in any court or forum, arising from activities undertaken pursuant to the Agreement, for Nuclear Damage occurring within or outside the territory of the Russian Federation, that results from a Nuclear Incident occurring within the territory of the Russian Federation.
3. Upon request by a Party, the Russian Party or its authorised representative shall issue an indemnity confirmation letter to any contractor, subcontractor, consultant, supplier or sub-supplier confirming the provisions of this Protocol. A standard form of such Indemnity Confirmation Letter is enclosed as an integral part of this Protocol.
4. The Parties may consult as appropriate, on claims and proceedings under this Article.
5. Any payments related to the indemnification in paragraph 2 of this Article shall be made promptly and shall be freely transferable to the beneficiary in its national currency.
6. Contributors, contractors, subcontractors, consultants, suppliers or sub-suppliers of equipment, goods or services at any tier and their personnel may refer any dispute concerning the implementation of obligations under this Article to arbitration in accordance with UNCITRAL Arbitration Rules, if such dispute has not been resolved amicably within ninety days of its submission to the Russian Party. Any arbitration award shall be final and binding on the parties to the dispute.

7. Nothing in this Article shall be construed as acknowledging the jurisdiction of any court or forum outside the Russian Federation over third-party claims to which paragraph 2 of this Article applies, except as provided for in paragraph 6 of this Article and in any other case where the Russian Federation has pledged itself to acknowledge and execute a legal decision on the basis of provisions of international agreements.
8. Nothing in this Article shall be construed as waiving the immunity of the Parties with respect to potential third-party claims that may be brought against any of them.

Article 3

1. This Protocol is open for signature by any Signatory to the Agreement.
2. This Protocol is subject to ratification, acceptance or approval by Signatories that are Parties to the Agreement. Instruments of ratification, acceptance or approval shall be deposited with at least one of the Depositaries of the Agreement.
3. This Protocol shall be open to accession by any Party that has acceded to the Agreement.
4. Accession shall be effected by the deposit of an instrument of accession with at least one of the Depositaries of the Agreement.
5. The Depositaries of this Protocol shall be the Depositaries of the Agreement and shall fulfil their duties in accordance with Article 77 of the Vienna Convention on the Law of Treaties of 23 May 1969 and shall consult each other in the fulfilment of their duties.

Article 4

1. Subject to the entry into force of the Agreement, this Protocol shall enter into force on the thirtieth day following the date of receipt by at least one of the Depositaries of the instruments of ratification, acceptance or approval referred to in Article 3.2 from the Russian Federation and from any other Signatory to this Protocol and it shall remain in force for a period of five years from that date. For each Signatory ratifying, accepting or approving thereafter, this Protocol shall enter into force for it on the thirtieth day following the receipt by at least one of the Depositaries of the instruments of ratification, acceptance or approval referred to in Article 3.2 and it shall remain in force until the expiration of its original five year period.
2. For each Party acceding to this Protocol, it shall enter into force for it thirty days following the receipt by at least one of the Depositaries of the instrument of accession referred to in Article 3.4 and it shall remain in force until the expiration of the original five year period mentioned in paragraph 1 of this Article.
3. This Protocol shall be extended automatically for further periods of five years. Any Party may request at least one of the Depositaries, at least ninety days before the expiration of the five year period, to convene a meeting of the Parties to consider the continuation, modification or amendment of this Protocol.
4. Any Party may withdraw from this Protocol upon giving ninety days written notification to at least one of the Depositaries. The MNEPR Committee shall immediately be seized of the matter

and shall make recommendations to the Parties on the further continuation of this Protocol and the Agreement.

5. The obligations under this Protocol shall remain in effect regardless of any subsequent transfer of ownership of the object of co-operation, and regardless of any termination of, or withdrawal from, this Protocol or the Agreement, or the expiration of their validity.
6. (a) Notwithstanding any termination of this Protocol, it shall continue to apply to any Implementing Agreement which the Parties to such Implementing Agreement agree to continue, for the duration of such Implementing Agreement.

(b) Where a Party withdraws from this Protocol but continues to be a Party to an Implementing Agreement, this Protocol shall continue to apply to such Party with respect to its participation in such Implementing Agreement.
7. Where,
 - (a) the Vienna Convention on Civil Liability for Nuclear Damage of 21 May 1963 (hereinafter referred to as “the Vienna Convention”) and the Joint Protocol relating to the Application of the Vienna Convention and the Paris Convention of 21 September 1988 (hereinafter referred to as “the Joint Protocol”) have both come into force for the Russian Federation, and
 - (b) the Vienna Convention or the Paris Convention on Third Party Liability in the Field of Nuclear Energy of 29 July 1960 and the Joint Protocol have both come into force for any other Party to this Protocol,

such other Party may, in its discretion and by notice in writing to the Russian Federation, terminate the application of Article 2.2 of this Protocol as between it and the Russian Federation with respect to any activity undertaken pursuant to the Agreement to which these instruments apply. The Russian Federation and such other Party shall each inform the other in writing of the dates upon which such instruments come into force in their respective territories.

8. This Protocol shall be applied on a provisional basis from the date of its signature.

Done at Stockholm on 21 May 2003 in the English, French and Russian languages, all texts being equally authentic, in two originals of which one shall be deposited in the archives of the Ministry of Foreign Affairs of the Russian Federation and one in the archives of the Organisation for Economic Co-operation and Development. Duly certified copies of this Protocol shall be transmitted to the Signatories and acceding Parties. In the event of any dispute or divergence in relation to this Protocol the English text shall prevail for the purposes of interpretation.

ANNEX

Model of an INDEMNITY CONFIRMATION LETTER

to be provided by

The Ministry of the Russian Federation for Atomic Energy to [Contractor]¹

Dear Sirs,

The Government of the Russian Federation and [name of other Party] are Parties to the Framework Agreement on a Multilateral Nuclear Environmental Programme in the Russian Federation (hereinafter referred to as “the MNEPR Agreement”) of 21 May 2003 to facilitate co-operation in the area of safety of spent nuclear fuel and radioactive waste in the Russian Federation. They are also Parties to the Protocol to the MNEPR Agreement on Claims, Legal Proceedings and Indemnification of 21 May 2003 (hereinafter referred to as “the Protocol”).

The Ministry of the Russian Federation for Atomic Energy, acting on behalf of the Government of the Russian Federation, hereby acknowledges that [Contractor] has entered into an [Implementing Agreement/Agreement/Contract] with [Recipient] on [date] to provide Assistance for the implementation of the MNEPR Project known as [Project name]. The persons and entities identified in the attached list are the [Contractor’s] personnel, subcontractors, suppliers, subsuppliers and consultants who will be providing equipment, goods or services pursuant to the [Implementing Agreement/Agreement/Contract]. [Contractor] may amend this list, from time to time, upon notification to the Ministry of the Russian Federation for Atomic Energy or its authorised representative for the implementation of the [Project name].

The Ministry of the Russian Federation for Atomic Energy, acting on behalf of the Government of the Russian Federation, confirms that in accordance with Articles 2.1 and 2.2 of the Protocol,
