

Dr. Thorsten DIERCKS has worked as a lawyer since 1991 for the German lignite industry association (DEBRIV). He defends the interests of the German lignite industry especially in matters of environmental and energy policy. Dr. DIERCKS has been appointed as EURACOAL's Secretary-General from 1st July 2005. EURACOAL (www.euracoal.org) is the European umbrella organisation of the hard coal and lignite producers of the European Union and of the candidate countries.
