

# Webinars

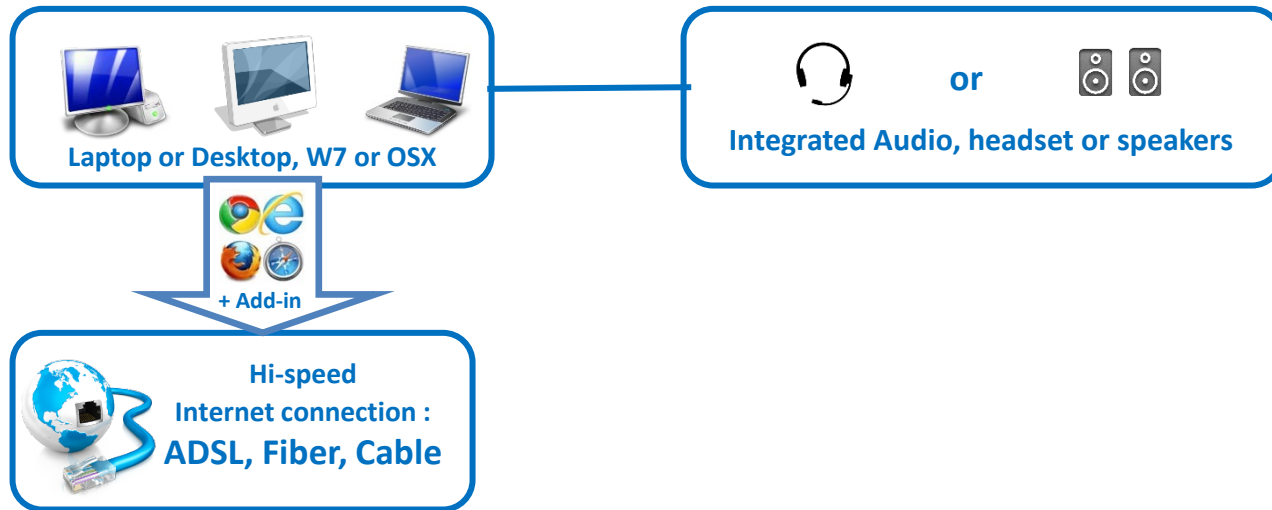

Stakeholder Dialogue:

## Experience and Lessons for Young and Old Experts and Researchers

In collaboration with the  
**International Radiological Protection Association (IRPA)**

# Connectivity and Equipment

## Recommendations for ensuring quality connectivity

# Do it yourself

## Check your configuration and connectivity

- **Connect the NEA online test session to verify your compatibility with Webex**  
[www.oecd-nea.org/rp/workshops/stakeholder-dialogue2015/](http://www.oecd-nea.org/rp/workshops/stakeholder-dialogue2015/)
- If you can access the online Webex test session, the test is successful, your add-in is properly configured
- Check your audio device (speakers or headphone)   
If you can hear a sound when you play, your computer is ready to join the webinar sessions

# Schedule

## Test sessions with a technician

(only if you have experienced some difficulties to join the DIY test session)
