

EG-GNDS WELCOME

D. Brown (NNDC, BNL)

NUTS-N-BOLTS

- Mute your microphones if you are not speaking
- Use the WebEx chat freely
- Use NEA gitlab issue tracker freely
- If you need a break for whatever reasons, we will never know as long as you turn off your video 😊

GOALS FOR TODAY'S MEETING

- **GNDS-1.9 & other news**
 - Publication status
 - SG-43 news
- **Approve (and name) next GNDS**
- **"Lessons learned" from preparing next GNDS**
 - Build system improvements
 - Guidelines for new formats
- **Plan for future**
 - Format areas of focus (atomic, FPY, particle properties)
 - Mandate extension
