(3) From Narita airport to Mito station

There are two methods. One is to first reach Tokyo, Ueno from Narita airport by train, and change the train to Joban-line for Mito station. You need 40 min. from Narita airport to Ueno station, and 70 min. from Ueno to Mito station. The total cost is about 6,000 Japanese yen including the express ticket cost.

The other is to use direct express bus from Narita airport to Mito station. You need 2 hours for the bus ride, and the cost is 3,000 Japanese yen.
