

Annex D

BIBLIOGRAPHY ON PARTITIONING OF MINOR ACTINIDES

The bibliography selected for the preparation of this document is restricted to the period 1984-1996. It was mainly compiled by a computer search made on INIS CD-Rom files with the following key-words: TRUEX, TRPO, Diamide, DIAMEX, DIDPA, Picolinamides, SESAME, Neptunium, TBP, TPTZ, TALSPEAK. Other references were obtained from our own files, manual selections of papers in the Proceedings of some recent Conferences, including the OECD/NEA P&T Meetings held in Karlsruhe, Germany (1989), Mito, Japan, (1990), Chicago, USA (1992), Cadarache, France (1994), Recod'91 (Sendai, Japan), Recod'94 (London, U.K.), Global'93 (Seattle, USA), Global'95 (Versailles, France), ICEM'95 (Berlin, Germany), SAFEWASTE'93 (Avignon, France), NRC4, 1996 (St-Malo, France), and from the 1995 and 1996 issues of Journals including Journal of Nuclear Science & Technology, Journal of Radioanal & Radiochem., Nuclear Technology, Radiochimica Acta, Solv. Extr. & Ion Exch. and Sep. Science and Technology.
