

**Day 1 – Monday 13 July
Introductions & Nuclear Law, Regulation and Policy**

09:00–09:15	Welcome and opening keynote remarks
09:15–09:30	Overview of Summer School objectives and schedule
09:30–10:15	Session 1 - International Frameworks for Nuclear Energy and the Role of International Organisations
10:15–10:30	Coffee break
10:30–11:45	Session 2 - Introduction to nuclear law
11:45–13:00	Session 3 - Environmental protection for nuclear activities
13:00–14:00	Lunch Break
14:00–14:15	Group photo
14:15–15:15	Session 4 - Nuclear safeguards & non-proliferation: History and evolution
15:15–16:15	Session 5 – Nuclear safety, security and radioprotection
16:15–16:30	Coffee break
16:30–17:30	Introduction to group case studies
17:30–17:45	End of Day 1
17:45–18:45	Cocktail reception & networking

Day 2 – Tuesday 14 July Ethical and Societal Aspects of Nuclear	
09:00–10:30	Session 1 – Ethical Aspects of Nuclear Energy Governance
10:30–10:45	Coffee break
10:45–12:15	Session 2 – Nuclear and society
12:15–13:30	Lunch break
13:30–14:30	Session 3 – Historical assessment of public opinion and nuclear choices
14:30–15:30	Session 4 – Why social license matters for advanced nuclear technologies
15:30–15:45	Coffee break
15:45–16:45	Group case studies <i>Free time for students to work on their case studies, with guidance from mentors</i>
16:45–17:00	End of Day 3

Day 3 – Wednesday 15 July Communication & Stakeholder Engagement	
09:00–10:00	Session 1 – Identification of key stakeholders and stakeholder mapping
10:00–10:15	Coffee break
10:15–11:15	Session 2 – Development of communication and engagement strategies and plans
11:15–12:15	Session 3 – Routine vs emergency and crisis communication
12:15–13:45	Lunch break
13:45–14:45	Session 4 – Discerning and addressing misinformation
14:45–16:45	Group case studies <i>Free time for students to work on their case studies, with guidance from mentors</i>
16:45–17:00	End of Day 3

**Day 4 – Thursday 16 July
Leadership in Nuclear**

09:30–10:30	Session 1 – Complex project management
10:30–11:00	Coffee break
11:00–12:00	Session 2 – Leading with purpose: Insights from nuclear managers (panel session)
12:00–13:30	Lunch break
13:30–15:00	Group case studies <i>Free time for students to work on their case studies and prepare presentation, with guidance from mentors</i>
15:00–15:15	Coffee break
15:15–17:00	Presentations by students
17:00–17:30	Programme Summary and Awards Ceremony

**Day 5 – Friday 17 July
Site visit**

09:00–13:00	JRC Laboratory visits
